5-bedroom house with a private garden and pool for sale in the centre of Alella

Bright 5-bedroom family house, with a large garden and private pool, located a few minutes' walk from the centre of Alella.

The house has an area of 322 m² and is located a few minutes' walk from the centre of Alella and all its services. Built in 1974, it was completely renovated 12 years ago.

This pretty house is situated on a 982 m² plot and is surrounded by fruit trees, plants and flowers. As we go on the garage ramp, on the left, between the trees, we find a beautiful staircase that takes us to the main floor. Once inside, a spacious and bright hall welcomes us. To the right we have the living room, with large windows and access to the chill-out terrace, the garden and the pool.

The living-dining room connects with the modern kitchen, which leads to a beautiful terrace with large mature trees under which to enjoy pleasant lunches and dinners in summer. The main floor also offers a bedroom and a guest bathroom.

The second floor consists of four bedrooms and two bathrooms. The master bedroom boasts its own bathroom and another bedroom has a dressing room.

The ground floor consists of a large hall, a garage for two cars, a workshop, a laundry room and two large multipurpose rooms. There is the possibility of building another house on this floor, with windows and natural light.

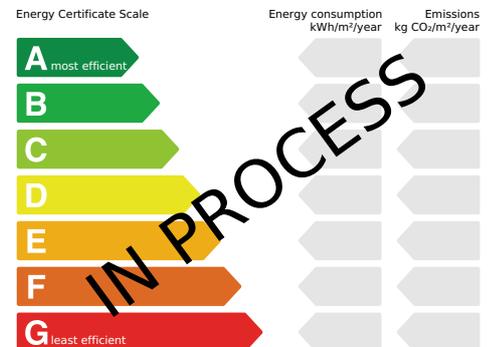

Outside, the large garden, the terraces and the pool offer a very cozy space. Plants and fruit trees invite you to enjoy time outdoors.

It is a perfect home for all those who wish to live in a village and enjoy privacy and tranquility.
