OVERVIEW

Attractive Alella townhouse with sea views, 5 bedrooms and a garden with a private pool.

This fantastic home is located in the lower part of the prestigious Mas Coll development, very close to the centre of Alella, transport and all services.

The 1,272 m² plot is flat and offers a lot of privacy. The house dates from 1984 and has a built area of 357 m².

The main floor is very spacious and houses most of the rooms: a hall, a kitchen and a living-dining room with access to a glazed porch with sea views. This floor also has three double bedrooms with built-in wardrobes, three full bathrooms and an ironing room. Two of the bedrooms have private bathrooms.

The second floor offers a full bathroom and a bright multipurpose room with access to a large terrace with spectacular views of the sea. The two side bays have plenty of space (currently there are two more double bedrooms there).

On the lower floor we have a garage with capacity for four cars, a cellar, a service bathroom and a service lift that connects with the main floor.

The beautiful garden has a swimming pool, barbecue area, play area and several very sunny terraces.

The plot has a water well, which is used to irrigate the garden, and has two accesses for car: the main access, with a wide ramp to the garage, and another at the back of the garden.

The house is equipped with mains gas heating, aluminum window frames with double glazing and air conditioning in several rooms.

In addition to being very well located, the property also offers a lot of space, as well as great tranquility and privacy.
