This fantastic villa with contemporary architecture has a total built area of 356 m² on a 1,000 m² plot in one of the best areas of Vallromanes.

The layout of the house is very practical and responds to the standards and requirements of modern families. On the main floor, the house offers us wide and open spaces that make up the day area. In addition, on the main floor, there is a toilet and a room, which can be used as a guest bedroom or an office, among others.

On the upper floor, we find the night area well defined with 3 bedrooms with two private bathrooms. Two of them also have a dressing room. Finally, there is a large terrace from where you can enjoy fantastic mountain views.

On the entrance floor or ground floor there is the covered garage for 2 cars, the engine room and the storage room.
