OVERVIEW

Elegant 400 m² Mediterranean villa with sea views and a swimming pool in Cabrils.

Built in 1990 and renovated in 2001 and 2019, this attractive family home is situated on a south-facing, relatively level plot with easy access to the centre of the village.

Distributed over 3 floors, the ground floor features a large living-dining room featuring sea views, a cosy fireplace and doors to 2 terraces; one in the back accessed through the eat-in kitchen and the other in the front, overlooking the pool and garden. In addition, a guest toilet, two double bedrooms, a bathroom with bathtub and a single bedroom used as an office, complete this floor.

On the first floor, there is a secondary living room also used as an office with doors to a terrace with sea views. This area can be easily converted into an additional bedroom if necessary. The main bedroom suite, with a large bathroom with a shower, also offers access to a dressing room and a sunny terrace to enjoy the wonderful sea views and views over the town and mountains.

On the lower ground floor there is a large multi-use space used as a playroom and a gym with doors out to a covered barbecue area, garden and swimming pool. Also, on this level you will find a staff bedroom suite, a laundry area and a storage room.

The house is located in the sought-after Montcabrer residential area and has easy access by car to the centre of the village. It would make a perfect family home or summer residence.
