OVERVIEW

Impressive 240 m² house with high ceilings on a 550 m² plot with private parking, garden and pool for sale in the historic centre of Argentona.

This impressive modernist house located in Argentona dates back to the 1900s. It was restored by the current owner and retains many of its original details.

The property is distributed over three floors.

The ground floor has a entrance hall, the living room with access to the garden, the dining room, the kitchen diner, a double bedroom and a bathroom with a shower. This floor is very well connected to the exterior, with access to the exterior garage area, the barbecue area and the summer porch.

The first floor has the main bedroom with a private bathroom, dressing room and terrace, two additional double bedrooms, a full bathroom and a storage room.

The second floor offers another bedroom or a large office with very good views, a beautiful terrace with views of the sea and the mountains and finally, the utility room.

Exterior, there is a beautiful garden with a swimming pool, a summer porch area, storage rooms, a bathroom and a garage for several cars.
