OVERVIEW

Fantastic house with private garden and sea views for sale in Teia, Barcelona

Lucas Fox presents this villa built in 1999 and located on a 577 m² plot on a hillside. It enjoys south/southwest orientation and is surrounded by a beautiful natural environment, but at the same time it is only 10 minutes from the local services of Teià.

The house of about 319 m² built is distributed over three floors.

The main floor of the house offers us a very spacious living room with large windows, which favor the entry of natural light and offer beautiful views from the living room. Just behind, there is a large fully equipped kitchen. A laundry room, a large double bedroom and a bathroom with a shower complete the main floor.

On the upper floor, there is the night area with two double bedrooms that share a full bathroom and the master bedroom with its private bathroom.

Finally, the semi-basement floor consists of a generously sized multipurpose room, a garage for two or three cars and a full bathroom. We also find a room that is currently used as a storage room that could easily be used for other uses, such as a gym or home cinema room.

The porch situated in the garden provides the idyllic setting for alfresco dining. In the garden it is possible to build a swimming pool.
