OVERVIEW

Rural property in the middle of a natural park, boasting 3.5 hectares of land within 30 minutes to Barcelona city.

Lucas Fox presents you this rural property located in the middle of the natural park of La Serralada Littoral in Vallromanes, allowing you to connect 100% with nature at only 30 minutes from Barcelona.

The new owners will be able to enjoy this 1800s built house in its peaceful environment. It has been updated throughout the years, with still a lot of potential to convert it into a very charming getaway.

Entering the house, on the main floor, you will find a living and dining area with a fireplace and a kitchen with a traditional oven. A bathroom completes this floor.

On the first floor there are 3 bedrooms and an office/music space.

The annex on the side of the house is used as an exterior dining space, but could definitely be added into the main house converting it into a cosy dining area, or work space.

The exterior area offers various zones for enjoyable moments like relaxing in the lounge, sitting and contemplate the fantastic views, swimming in the pool or dining al fresco.

There are several terraced areas where we find 2 yurts, a tent, and a very lush vegetable garden.

The property is self-sufficient, has water provided by its well, and the energy provided via solar panels, yet it is also possible to connect to the main electricity grid if desired.

A video of this fantastic oasis is available in order to appreciate the revitalizing surroundings.

The environment is perfect for yoga sessions, retreats, and a slow lifestyle. An unbeatable location where you can hike while enjoying amazing sea views, go horse riding next door, have the beach at only 20 minutes away, and also the lively city of Barcelona 20 minutes away as well.
