OVERVIEW

Fantastic and spacious house with unobstructed views of the mountains for sale in Alella, Barcelona.

This fabulous property is located near the centre of Alella, a charming Mediterranean town that offers a great quality of life. By car, you can access all the necessary amenities in just a few minutes, while the beach is 10 minutes away and the centre of Barcelona 20 minutes away.

The house was built in 1998 and is in very good condition and with just a few changes and small reforms it could be modernized.

It benefits from very bright interiors and offers fantastic unobstructed views of the mountains from each room and from the garden. The property is very comfortable, since it only has three semi-floors.

The entrance opens to an open hall with a large multipurpose room. The lower semi-floor has a kitchen with access to a terrace with porch area. The spacious living-dining room benefits from a fireplace and access to the terrace that enjoys unobstructed views. On this floor there is also a double bedroom, a complete bathroom, a utility room, a pantry and a wine cellar.

On the upper half floor, there is the master suite with a private bathroom, as well as three other double bedrooms that share a full bathroom. All are very spacious and bright.

The garden is easy to maintain and has a private pool, with a nice attached barbecue area and another summer porch area.

The garage provides capacity to park two cars.

It should be noted that it has excellent qualities, such as main gas heating, aluminum carpentry and a rainwater collection system to reduce the cost of garden irrigation water.
