OVERVIEW

Property practically on one floor and completely renovated for sale in Premià de Dalt, Barcelona.

This magnificent single-family home was built in 1975 and was completely renovated between 2009 and 2010.

The property offers the advantage that it is built practically on one floor, where the day area is located.

We access the first floor through the main entrance, which leads us to a large entrance hall that leads to the day area and, through the corridor, to the night area. In the day area, there is a large office-style kitchen with a laundry area and a large living-dining room with a large window at the end of the room that offers plenty of natural light and fantastic views of the sea.

The night area consists of two double bedrooms that share a full bathroom, as well as the master suite with a dressing room and a full bathroom.

On the ground floor, there is a huge multipurpose room with a toilet and a garage for two cars.

There is the possibility of building a pool in the front garden area.

Do not hesitate to visit this magnificent property and contact Lucas Fox, we will be happy to assist you.
