OVERVIEW

Minimalist design 5-bedroom house with amazing sea views and low maintenance garden, for sale in Teià.

This modern design house with clean lines was built in 2015 and boasts spacious rooms, high ceilings and abundant light. The architect has made maximum use of each space, interlacing them with modern architecture whilst integrating the highest quality materials and finishes.

It is distributed over 4 floors all connected through a lift, where from the street level we would access the underground area with the parking space up to 3 cars, a large multipurpose room, a bedroom, storage rooms, utilities and pantry. This area could be set up as a home cinema, together with a gym and an entertainment room.

On the main floor is the spacious and very bright day area: an entrance hall leads us to the office, double bedroom and an impressive double height living area with its own fireplace and exit toward either the chill out area by the pool or the side garden. In addition, a fully equipped pleasant eat-in kitchen that could be divided thanks to its sliding doors, offers the latest appliances. A complete bathroom is also available on this floor.

The staircase leads us to the night area with the bright main suite and its walk-in wardrobe so a full bathroom with both shower, jacuzzi and double sink. In addition, 2 double bedroom suites completes this floor so as a library overlooking the double height ceiling.

The last floor is dedicated exclusively to the roofed terrace, perfect for a solarium or to enjoy the evening views.

It has underfloor heating, air conditioning via ducts, a home automation system, double-glazed windows and electric blinds to ensure comfort throughout the year, a central vacuum cleaner, Osmosis filtering and water softener, salt pool and security alarm.

Ideal for primary home and second homers looking for a low maintenance property, enjoying beautiful sea views, at a door step to Barcelona city, marina and very easy commuting access to Barcelona.

Please contact us for further information.
