OVERVIEW

Modern cubic house for sale in one of the most luxurious areas of the north coast of Barcelona.

Lucas Fox presents this modern house with stunning sea views in Sant Vicenç de Montalt.

The 282 m² house is distributed over three floors connected by a lift. It sits on a flat plot of 911 m² with a southwest orientation, so it enjoys abundant natural light all day.

Upon entering through the upper floor, we find a covered garage space for two cars and another space for two more cars.

On the ground floor, we find the day area with a living-dining room with direct access to the porch and the garden and the pool area. Next, there is the fully equipped kitchen with a central island. A bedroom with its private bathroom, a guest bathroom and a multipurpose room complete this floor.

On the second floor we have the night area distributed in four bedrooms and two complete bathrooms. The main bedroom with its private bathroom and dressing room enjoys access to a terrace.
