OVERVIEW

Charming detached Mediterranean-style villa with a traditional tiled roof and stunning panoramic views for sale in Alella.

On a sunny south-facing plot of 940 m², just 3 minutes from the centre of Alella, we find this wonderful 240 m² detached house for sale. The property has been designed and built in a typically Mediterranean style with a pretty tiled roof and enjoys outstanding panoramic views from its hilltop location across the valley and out to sea. Surrounding the house are terraces and a rear garden with plenty of space to install a swimming pool.

Inside we find a cosy living room with a fireplace, a dining room, kitchen and a double bedroom along with a bathroom with bathtub. The wine cellar completes this floor.

Upstairs are the remaining 3 double bedrooms, one of which is the master suite with its dressing room and complete private bathroom. A guest toilet and secondary living room with a fireplace are also located on the first floor. This is currently considered a 4-bedroom property but it has the potential to offer 5 bedrooms by adjusting the layout of the top floor.

The house has been well maintained, with brand new windows and an oil-fired heating system with radiators installed in 2011 and only requires some cosmetic updating in the bathrooms and kitchen. What's more, it is possible to install an outdoor lift from the 2-car garage on the lower level to connect with the house.

A wonderful family home or second residence a stones' throw away from Alella centre.
