OVERVIEW

Fabulous family-friendly home with 4 bedrooms, garage, garden and pleasant views for sale in the Vallromanes golf club.

We are delighted to present this charming semi-detached house in the Golf de Vallromanes urbanization, a peaceful area surrounded by lush vegetation, with stunning views and excellent connections to Maresme, the interior, and Barcelona.

This house is ideal for families, whether as a year-round residence or a seasonal retreat. It is a low-maintenance property that requires minimal daily upkeep.

On the ground floor, at street level, we find the garage, which has space for at least two cars and plenty of storage.

The main floor consists of an entrance hall, a guest bathroom, a dining area with an open-plan kitchen that has direct access to the terrace, and a living room with access to the garden. The spaces are well-designed and separated to maintain independence between the different areas. The dining room also features a beautiful fireplace that not only helps warm the house but also adds a cozy touch during winter days. The garden is spacious yet easy to maintain.

The second floor is dedicated to the sleeping area, which includes a master suite with its own bathroom and dressing area, two double bedrooms, a home office or single bedroom, and a full bathroom.

Additionally, the house includes access to a small communal area with a swimming pool.

This is undoubtedly an excellent opportunity for families looking for a house in perfect condition, located in a prime area, and offered at a very competitive price.

Do not hesitate to contact us for more information.
