## 6 Bedroom country house for sale in Vilassar de Dalt, Barcelona

**Impressive country house with 38 hectares of land, surrounded by nature and offering complete privacy, for sale in Vilassar de Dalt.**

Lucas Fox exclusively presents this extraordinary 17th-century country house in Vilassar de Dalt, nestled in an incomparable natural setting. Yet, it's close to all amenities: just 8 minutes from the town centre and 30 minutes from Barcelona.

The country house sits on 38 hectares of land with woodland, fruit trees, and garden areas. La Finca has several buildings. The main country house, built in the 17th century, stands out for its historic character and majestic presence and retains original architectural elements from 1693. It is spread over two floors. On the ground floor, there is a spacious kitchen with a fireplace, as well as an integrated living-dining room with direct access to the rear garden, which features a barbecue area and outdoor spaces designed for celebrations and relaxation. The upper floor features two large, versatile rooms that can be adapted to different uses, such as bedrooms, offices, or additional living areas.

Adjacent to the main house is a recently renovated property, featuring a living-dining room, a fully equipped kitchen, four double bedrooms, and two complete bathrooms, ideal for guests or as independent accommodation. The property also features auxiliary buildings, including a spacious garage, a storage room, and a covered porch with spectacular views of Montserrat, perfect for enjoying unforgettable sunsets.

Exterior, there are peaceful gardens and planting areas. La Finca boasts three private wells, a large-capacity reservoir, and a permit to build a 2,000 m<sup>2</sup> warehouse, which would offer multiple uses.

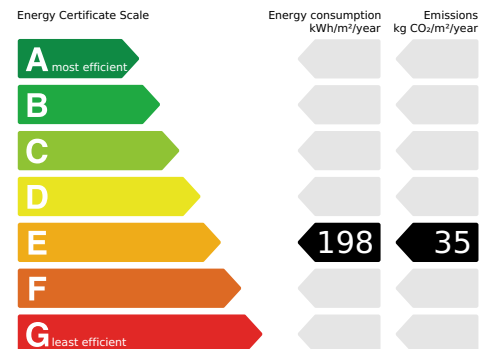

This is a unique property in the Maresme region, combining history, exclusivity, and a lifestyle in direct contact with nature, ideal both as a private residence and for tourism or equestrian projects.
