Exclusive seafront house for sale in Caldes d'Estrac, Barcelona

Luxury renovated villa by the beach in Caldes d'Estrac

This fantastic beachfront villa is located in the prestigious town of Caldes d'Estrac, on the Mediterranean coast and right next to the best beaches in the Maresme region. The exclusive El Balís marina is just a short walk away. The area is very well connected by train and road; the train station and all amenities are also within easy walking distance. International schools are located nearby.

The house is semi-detached and occupies the ground floor and first floor of the building. It also has a private garden with access to a private parking area for two vehicles, with an entrance from the rear street.

The complete renovation was carried out in 2019, using very high quality materials.

The property offers spacious and bright rooms, with sea views from almost every corner. The large living-dining room at street level connects to a kitchen located at the rear of the house, with direct access to the garden, which offers plenty of privacy.

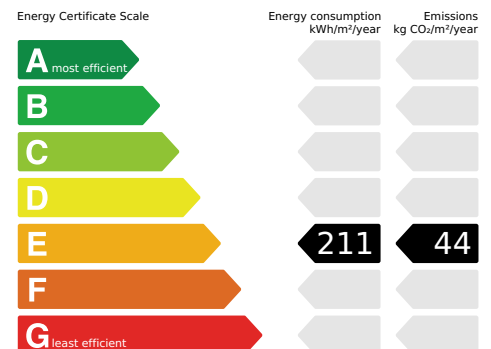

On the first floor there are three en suite bedrooms, two of them with a private terrace.

Equipped with underfloor heating, ducted air conditioning, and high-quality aluminum windows and blinds. The floors, bathrooms, and kitchen are finished in natural marble.
