OVERVIEW

A new development of Apartments for sale in Grandvalira Ski area, Andorra

Lucas Fox is pleased to present Isard Homes, an exclusive new build development with three and four bedroom apartments with two or three bathrooms. The development is located at the foot of the slopes of the Grandvalira ski resort, in a unique natural environment that offers spectacular views of the surrounding mountains.

The development offers homes of between 123 m² and 216 m² with three and four bedrooms. Various types of housing are offered, such as apartments with terraces, ground floor apartments with garden and penthouses with terraces and sloping roofs.

The homes have a modern design with open-plan rooms, such as the living-dining room with the open-plan kitchen, with a fireplace; A very cozy room, but with impressive views of the idyllic surroundings. Likewise, it stands out for the use of noble materials such as wood on the floors, walls and facades or natural stone on the facade. Likewise, they benefit from having large floor-to-ceiling windows that offer incredible views of the mountainous environment, in addition to allowing in abundant natural light.

All apartments have top-of-the-range finishes from the Porcelanosa group, cabinets and interior doors in natural wood, windows with high-quality glazing, especially for high mountain areas, and floor heating, among other qualities. The kitchen comes fully equipped with top-quality appliances, as well as wall and base cabinets and a quartz countertop.

Each property includes a box with pre-installation of charging points for electric vehicles.

Each of the residents will have access to the communal areas that include a wellness area with an impressive indoor pool, a spa area with sauna and hammam and a fully equipped gym with locker area; all of them with natural light and designer finishes. Additionally, there is a lobby with a sofa area and fireplace, and a ski room with private lockers for storing ski equipment.
