Nueva Andalucia Apartments

Contemporary off-plan apartment project in Nueva Andalucia

OVERVIEW

A boutique development offering exclusive properties, each with a unique design and luxury finishes.

In the foothills of the Sierra Blanca Mountain range, overlooking the sparkling Mediterranean Sea and the deep green rolling Golf Valley of Nueva Andalucia, we find this boutique new development with 18 properties to buy off plan.

The development offers residents facilities such as communal tropical gardens and infinity pools with a cascading water feature, a security service and an underground car park with a parking space and storage room included with each apartment. The apartments currently available to buy off plan have been carefully positioned to enjoy optimal views and natural light.

Each home has a unique layout and key features include spacious, open-plan living areas with floor-to-ceiling patio doors which retract completely into the wall, opening the living space to the exterior terrace, effortlessly extending the living space and making the most of the wonderful Marbella climate.

The ultra modern kitchens feature Silestone work surfaces, white lacquered soft-close units and appliances by Siemens or Bosch. High quality marble flooring features throughout and the marble bathrooms have stone sinks, Villeroy and Bosch fittings, rain showers, wet room style showers and underfloor heating.

Some of the properties have their own private plunge pool and all of them include air conditioning and pre installation of automated home systems.

An ideal choice for a luxury residence on the Costa del Sol in a small, refined complex with enviable views.
