### OVERVIEW

## New Development of 2 and 3-bedroom apartments for sale in Oasis 325 Phase II in Estepona.

Oasis 325 is a new residence located in the La Resina area on the New Golden Mile of Estepona on the Costa del Sol. It offers a selection of 2 and 3-bedroom apartments and penthouses specially designed to complement the Mediterranean lifestyle.

This residential project encompasses 88 exceptionally designed south-facing homes: 2 and 3-bedroom apartments, ground floor apartments and penthouses.

There are 32 penthouses in Oasis 325, with an option of a private swimming pool and solarium, offering yet another element that blends nicely into the design of the property. The ground floor apartments all have private gardens, ensuring a full relaxation and enjoyment of life in your own oasis. All properties include a covered parking space and a storage room.

There is a large swimming pool located in the centre of the complex. It is surrounded by the landscaped gardens and has the feeling of a natural lake. The ultimate place to relax.

The communal area also has a gym, spa and multi-use room, all meant to further enhance quality of life in the Mediterranean. The exclusive spa has a big jacuzzi and a swimming pool, allowing you to truly disconnect.

Please contact us for further information.
