Elegant 3 bedroom apartment with large areas and balconies, superior quality finishes, Box for 3 cars, with an exclusive location in Foz do Douro

This superb Apartment is located in a closed condominium, with permanent security, and is privileged by the immense natural light that further dignifies the nobility of the floor and the simplistic, but no less noble, description of the finishes placed.

The apartment has a well-marked distribution, which soberly delimits the social area from the private area.

It develops through a very large entrance hall, which gives access to the social bathroom, to the common room with fireplace, to a terrace facing the green areas of the condominium and communicates with a large equipped kitchen, to the food storage compartment. and the laundry room that connects to an extensive terrace that also serves the private area.

The distribution area (hall) allows us to access the bedroom area and a common bathroom, one of the bedrooms being a suite, all with built-in wardrobes lit from the inside.

The apartment offers some home automation features as a convenience.

It is located in one of the noblest residential areas of Foz do Douro
