OVERVIEW

Building with unique architecture, for interior rehabilitation, with excellent location, in downtown Porto. It has three floors plus a recessed floor above the threshold level.

Building with a built area of 614 m² (existing) on the ground floor plus two floors and a recessed floor.

Building with unique architecture, for interior rehabilitation, with excellent location, in downtown Porto. It has three floors plus a recessed floor above the threshold level.

The building has a preliminary study to create a guest house, with eight accommodation units, including rooms and suites, as well as storage facilities, reception, lounge, dining area and garden/patio.

Due to its location and characteristics, this building offers countless possibilities, whether for business, private housing or setting up a company headquarters.

The building is close to restaurants, local shops, transport, access to downtown Porto, the riverside area and the Boavista service area.
