OVERVIEW

Plot of land with 570.00 square meters, with approved project for construction of a four-front house, T4 with swimming pool, with 636.00 square meters of gross area in the city park, Porto

Plot of land located in a prime area of the city of Porto, measuring x square meters, with an approved project for the construction of a three-storey house, with swimming pool and with a total construction area of 636.00 square meters.

The contemporary architectural project, with noble and sophisticated materials and finishes, comprises a program for the construction of a three-storey house, above ground level, swimming pool, garden and garage for two cars.

The equipment and noble materials used in the house are of high quality, revealing sophistication and comfort in their performance.

The villa comprises two suites and two master suites in the private area. The social area offers an open space kitchen, dining room, living room, office and cinema room.

The exterior is rewarded by the area surrounding the pool deck and landscaping that promotes greater privacy. The sense of composition underlying the presented project seeks to generate routes between the interior and exterior in order to enhance the result of the relationships between the various elements that make up the construction, thus creating a harmony of contrasts between the volumes, texture of the materials, colors and light effects.
