OVERVIEW

New 2 bedroom apartment at the end of construction near the University Center and with good access, with two suites, guest bathroom, two balconies, parking space and great finishes

New 2 bedroom apartment in a building near the end of construction near the University Center, with two suites, a guest bathroom, two balconies and a parking space.

Great finishes and good access to roads.

This apartment, located in a building with contemporary architecture, offers generous spaces, two suites and a guest bathroom.

It has a large open space common room, with an equipped kitchen.

It has good solar orientation, favored by large glazed openings, and also includes two balconies. The building's entrance hall is also very large, giving grandeur and space to the whole.

Due to its location, the apartment has a high investment potential, either through placement on the rental market or through its appreciation and consequent added value on the sales market.

The building is close to the University Center and the Hospital de São João.

It is served by an extensive public transport network, with emphasis on the metro network, and by nearby services and commerce, as well as large shopping areas.
