OVERVIEW

3-bedroom apartment with 124 m2 of private gross area, located in a private and exclusive condominium, close to Jardim de Arca d'Água.

3-bedroom apartment with 124 m² of private gross area, inserted in a new development, located in the Paranhos area.

This apartment is located on the 3rd floor of the building and faces south.

A true oasis in the city center, which also has a communal garden and playground. This project was designed so that residents can make the most of the development's outdoor space and green areas.

Avant-garde architecture and innovation combine with tradition and comfort in a space where the solidity of the stone and wood façade coexists in harmony with the delicacy of the gardens. The apartments combine open, bright spaces with large windows, with interior patios, gardens and private terraces, where you can simply let time pass by more slowly.

In addition to the apartments' private gardens, the complex also has extensive garden areas. Trees, walking paths, schools, health services, transport... You'll find all of this in the surrounding area.

This condominium also stands out for its location in Paranhos, one of the best residential areas in Porto, with exceptional surroundings, both in terms of services and infrastructure, as well as excellent access to the center of Porto and the city's main business, education, health and entertainment services.

Paranhos has the largest university campus in Porto and, as such, this apartment can be purchased both as an investment and as a home.
