OVERVIEW

A fantastic new development of 7 semi-detached villas with views of Es Vedra and the sunset in San Josep, Ibiza

At walking distance from the Cala Carbo beach sits this fantastic project of 7 semi-detached luxury villas overlooking the iconic Es Vedra sunsets. Bright open spaces with minimalist design invite you to experience the Ibiza lifestyle with the sun shining over the private pools and elegant private terraces from sunrise to sunsets.

Ideal location for sunset lovers and for those wishing to live in a quite area but that is close enough to the famous beaches and restaurants on the south-west coast area of the island and still at a good distance from the airport and the city of Ibiza.

This unique project is due for completion in 2022 and is designed to provide the new residents with outdoor living areas to enjoy Ibiza's perfect climate during the long summers and mild winters, the arrangement and layout of the villas maximising the natural light through floor-to-ceiling glass walls connected to elegant private terraces.
