Excellent 4-bedroom house for sale in Sant Feliu, Costa Brava

A magnificent newly built house in a small residential area of Sant Feliu de Guixols.

Mas Trempat is a small and desirable residential area of Sant Feliu and only five minutes by car to the beach and shopping areas and enjoys easy main highway access to Girona (20 minutes) and Barcelona (75 minutes).

The substantial plot is 1,600 m² with a house area of 800 m² and shows a modern building taking full advantage of the space provided on all three floors.

While enjoying privacy within a green belt area there are partial views of the sea and, on entry to the property, attention is immediately drawn to the large infinity pool with a beach area, fire pit and impressive sheltered barbecue facility.

On entry to the large basement we find the garage that will accommodate four cars, a heated indoor pool and cold plunge pool, separate spa and gym, boiler room and storage room, large room for cinema, games and a dining area. An adjacent room provides significant space for storage.

Upstairs on the ground floor we see two master bedroom suites, a lounge, a large area for the kitchen and dining areas. Leading off the kitchen we have a utility room and wc. All the feature rooms have windows onto the terrace.

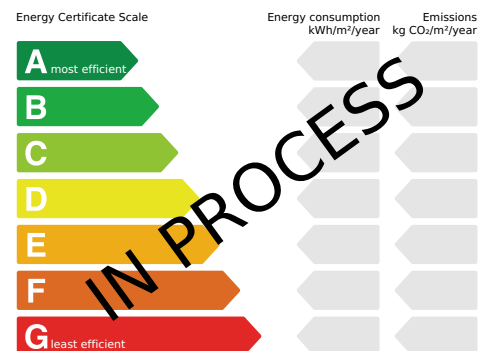

On the first floor we find two master bedroom suites with en suites together with a bathroom, sauna and vanity suite attached to the principal master bedroom. There is also a large terrace area.

All bedrooms have been provided with the essential wardrobe space.
