Casa Lliri, a beautiful historic house with a practical and sunny garden for sale in Santa Cristina d'Aro, Costa Brava.

Casa Lliri, a magnificent and cozy newly renovated village house, for sale, located in the charming old town of Santa Cristina d'Aro, only about 6 km from the beaches of Sant Pol and Platja d'Aro.

Beautiful townhouse completely renovated in an unbeatable location, opposite the church of Santa Cristina d'Aro, in the historic centre of the beautiful town.

The house is divided into two floors: ground floor and first floor.

The ground floor houses the main living area, with a beautiful hall, a living-dining room with an open kitchen and an office area, a bathroom and a double bedroom.

The first floor offers the master bedroom with its private bathroom and dressing room, a second living room or study and another double bedroom.

Finally, outside, we find a beautiful garden with space to build a pool, with an outdoor dining room or chill-out area.

In the refurbishment of this house, built in 1956, respect for all the original elements is combined with current criteria of sustainability and comfort. It maintains the personality and essence of the original house with the benefits of a modern house. For example, it has adjustable lights in some main rooms of the house; Sonos sound system throughout the home, which allows music to be played in different rooms; gas heating; alarm; fiber optic internet connection; air conditioning; automatic irrigation, and artificial grass of the highest quality.

It should be noted that the house has a licence approved by the local council to build a pool in the garden.

The house is located in the heart of the Costa Brava, a few kilometres from the busiest spots, thus enjoying maximum tranquillity and relaxation, without giving up practising activities such as golf, hiking or water sports. The closest beach is only 6.4 kilometres away, about 10 minutes by car, specifically Sant Pol beach in S'Agaró.
