OVERVIEW

Semi townhouse for sale on the beach, in Sant Antoni de Calonge, Costa Brava, in the modern new build development of Sorra Mar i Cel design.

Lucas Fox presents this fantastic townhouse that is part of the new build design development of 9 exclusive homes, Sorra Mar i Cel, located on the beachfront, on the seafront promenade of Sant Antoni de Calonge, a true privilege. The house has an excellent location right on the seafront promenade and the beautiful beach.

It has high-quality finishes and benefits from a modern design in neutral tones that is very welcoming, as well as large windows that maximize the entry of natural light. It has open spaces, such as the living-dining room with the open-plan kitchen that makes the most of the space and provides a greater feeling of spaciousness. It has three bedrooms, including the main bedroom with a private bathroom and dressing room.

On the other hand, the house has a private garage and storage room on the lower floor, an important element given the location of the property. It is also prepared to install a lift if the future owner considers it appropriate.

Ideal as a first or second residence, in addition to representing a good investment opportunity. Do not hesitate to contact us if you want more information about this newly development house in Sant Antoni de Calonge.
