OVERVIEW

Lucas Fox presents this beautiful townhouse with views of the Mediterranean Sea, 5 minutes from Sant Feliu de Guíxols, an emblematic town on the Costa Brava known for its markets, restaurants and shops. It is located in a community with seven neighbours, each with their own private garden and a communal pool, making it ideal for summer holidays.

The property has a built area of 201 m² and is divided into three floors. The house faces south and allows us to enjoy maximum light throughout the day.

We enter the main floor which has a spacious and bright living-dining room with a fireplace and a fully equipped open-plan kitchen. The floor is completed with a guest bathroom with access to the terrace.

We go up to the upper floor by the stairs and we find a double bedroom with its full bathroom, built-in wardrobes and incredible views of the Mediterranean Sea. On that same floor, we have two bedrooms with a separate bathroom.

On the lower floor, there is a large multipurpose room that can serve as a fourth bedroom.

The house has a large private garage for one car and motorbikes or bicycles and built-in wardrobes in each bedroom. The entire house has double-glazed windows, a gas radiator heating system and manual blinds.

This property has a perfect location for summer holidays on the Costa Brava, in a very quiet residence with beautiful views, 5 minutes from the town of Sant Feliu de Guíxols, known for its fine dining restaurants, its shops, its historic centre, its market and its beach.
