OVERVIEW

Discover this beautiful villa , completely renovated to the finest detail and quality. Just 15 minutes from the best beaches and coves of the Costa Brava. Come and discover your oasis of tranquility and comfort in an excellent location.

Lucas Fox presents Villa Estel, a fantastic, sun-filled, and completely renovated property. An oasis of tranquility with spectacular mountain views. Just 15 minutes from the beach.

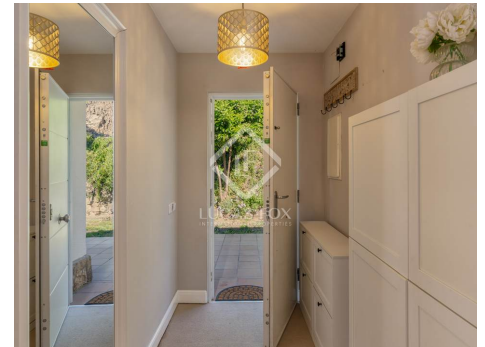

The house was built in 2008 and was completely renovated a year ago in a modern style and with the highest quality finishes. The house sits on a 1,920 m2 plot surrounded by nature. On the upper level, there is a large terrace with endless possibilities that occupies the entire surface of the house. A spacious terrace off the living room opens the living room and kitchen to the exterior , providing plenty of natural light and a connection to the surroundings.

On the main floor , we find a spacious dining room living room connected to the open kitchen and the outdoor terraces. Following the wide corridor , we find two double bedrooms, both with built-in wardrobe and windows to the exterior. There is also a modern-style full bathroom , and at the end of the corridor , we find the master suite, which shares the same features as the other bedrooms and also has a full bathroom with a bathtub.

In the basement of the house, we find a huge garage that occupies the entire floor and is perfect for housing up to four cars. Its large surface area also makes it perfect for use as a storage area.

Finally, on the upper part of the house we find a huge terrace that, like the garage, occupies the entire surface of the house and is perfect for a chill out or a solarium.
