### OVERVIEW

**Discover these two spectacular villas in the heart of the Costa Brava, set on a large 3,700 m2 plot with spacious interiors.**

Lucas Fox presents Villa Calma, a unique and special opportunity to acquire two 500m2 houses on a single plot of more than 3,700m2.

The property is located in the quiet and well-positioned Bell-lloch development , just minutes from the main tourist attractions of the Costa Brava.

The main house, located at the top of the plot , consists of two floors of similar size. On the lower floor , we find an entrance that leads to the living room and dining room , which can accommodate more than 10 people. Through the dining room, we access the equally large and fully equipped kitchen, which includes the pantry and laundry area.

Going up to the upper floor , we find three very bright suites, and following the corridor, we find the other three double bedrooms, two full bathrooms, and a room perfect for storage. All bedrooms have built-in wardrobes.

The second house is spread over a single floor with different levels. Following the corridor, we find a large and spacious kitchen with room for a table and also fully equipped. At the end of the corridor , we find two suites, one double bedroom, and a full bathroom .

At the other end of the corridor , we find a spacious, open-plan dining room and a living room. Finally, we find a bathroom, a double bedroom, and the master suite.
