Granted

Building licence

OVERVIEW

Poblenou Homes, a new development of 1-3 bedroom energy-efficient apartments in a building with a communal pool, garden, gym and rooftop terrace.

This Poblenou Homes project consists of a total of 46 apartments. These homes range in size from 51 m² to over 110 m² and offer between 1 and 3 bedrooms.

We enter the building and find no less than 5 lifts which can take us to our property directly via code-controlled access.

The aesthetic of the communal areas is one of tranquillity and elegance, enhanced by a stylish neutral colour scheme and high-quality natural materials. This theme continues inside the individual properties, many of which feature high ceilings with exposed wooden beams and plastered vaulted ceilings, which add a touch of warmth and character.

A balcony provides the ideal spot for your morning coffee and a utility gallery area neatly stores laundry appliances out of sight. The A-rated energy efficiency of these homes will provide significant savings on utility bills as well as protecting the environment.

This development boasts excellent communal areas such as an interior garden with a pool, an air-conditioned gym and a rooftop terrace with a yoga space.

Feel free to contact us for further information.
