OVERVIEW

Very bright and spacious 5-bedroom family house with a large garden with a pool, barbecue and basketball court.

In the best area of Monteclaro we find this detached house that was completely renovated in 2014 with the best quality finishes and design.

The beautiful house offers 439 m² distributed over two floors. The ground floor welcomes us with a hall and gives way to a living room. Next is the large living-dining room with the open kitchen. It is an open plan space with several areas and plenty of light, as one of the walls is completely glazed and offers access to an inviting porch with sofas, tables and chairs; the ideal space to relax while enjoying the views of the garden or to eat outdoors in summer and make the most of the excellent weather. From here you can access the large 2,000 m² garden, which has a barbecue and dining area, basketball court and a fantastic pool.

Returning to the interior, the ground floor is completed by a laundry area and a bedroom for the service staff with a private bathroom, a cinema / gym room, and a bedroom / office next to a complete bathroom.

Stairs in the living area take us up to the top floor. Here we find the other bedrooms: the large master bedroom with a dressing table and dressing room and bathroom, and 2 other bedrooms with bathrooms.

For your maximum comfort at all times, the whole house is automated and has the best features, such as air conditioning, underfloor heating, an alarm and double glazed windows. It also has private parking for up to 4 cars.
