OVERVIEW

Brand new luxury penthouse with large roof terrace and beautiful views over Monte del Pardo in an exclusive urbanisation in Valdemarin, a 10-minute drive from central Madrid.

Lucas Fox is pleased to present the last available brand new penthouse in this boutique and very exclusive urbanisation of only thirty apartments. This high-end community with 24h security consists of five three-storey buildings of stunning avantgarde design with private gardens and swimming pools.

Key features are the amazing views over the El Pardo woodlands and the top-of-the-range appliances and materials throughout the property.

Through an elegant entrance hall, which has a cloakroom and guest toilet, we enter a large living room with floor-to-ceiling windows boasting amazing views over the "Monte del Pardo" national park.

Turning left from the hallway, we find the night area with 4 bedrooms in total. The master bedroom has a large dressing room and en-suite bathroom with shower and bathtub. There are three more bedrooms with built-in closets, which share two bathrooms.

The kitchen is equipped with high-end appliances and a charming breakfast area. Adjacent to the kitchen we find a service bedroom with full en-suite bathroom.

Through an internal staircase we access the very large 160 m² rooftop terrace, which boasts beautiful views over el Pardo and the Sierra de Guadarama mountains.

Two large parking spaces and a storage room are included in the price.

In summary, this is one of the best penthouses for sale in the wider Madrid community and it will appeal to those discerning families, who like to have the best of both worlds: high quality living in direct connection with nature, whilst being in close proximity to central Madrid.
