Magnificent 6-bedroom villa with 1,800 m² garden for sale in Monteclaro, Pozuelo

Wonderful completely renovated 6-bedroom family home on a large plot with landscaped garden, swimming pool, separate guest house, located in one of the best areas of Monteclaro in Pozuelo, Madrid.

Lucas Fox is pleased to present, on an exclusive basis, this wonderful property, which is located on a 2,000 m² plot in one of the best parts of the Monteclaro development, and has been renovated, extended and modernised to a very high standard.

Monteclaro is an exclusive gated community which has 24-hour surveillance and is great for families with a social club, swimming pools, cafeterias, football field and tennis and padel courts.

The property finds itself at walking distance to the Everest School, allowing children to walk to school alone, and the Club Social, with its tennis and padel courts, is also in close proximity. Public transport is also at its doorstep with direct buses to Majadahonda, Pozuelo and the centre of Madrid.

Upon entering the property, it becomes immediately evident that the current owners have invested a lot of money, time and care in their home. No expenses were spared with the selection of materials and decorative features. Amongst the key features are a beautiful oak wooden floor, modern elegant bathrooms and a very large kitchen with an informal dining table. The house has air conditioning in all rooms through ducts, double glazing high quality windows with shutters.

The ground floor consists of 4 different zones which all flow naturally into each other.

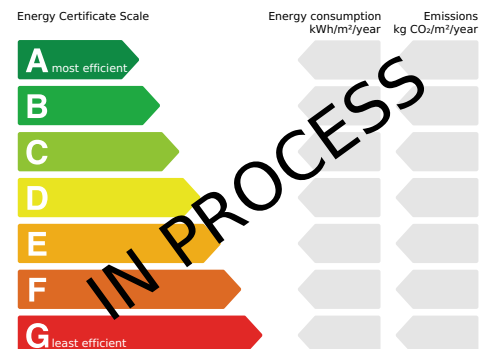

From the entrance hall, we find a large living room with a working fireplace to the left, which is connected through sliding doors to a dining room, which is currently set up as an additional seating lounge. Stepping right we find a small hallway which gives access to an area with two bedrooms which share one complete bathroom, ideally arranged to host guests.

Continuing straight ahead from the main living room, we step into another cosy seating area with beautiful views of the garden. Through floor-to-ceiling glass doors we can access the very large covered porch and the beautiful landscaped garden.
