### OVERVIEW

**Impressive completely renovated & extended 5-bedroom detached villa with private garden, swimming pool, modern kitchen and sauna, located in a quiet area of Monteclaro in Pozuelo, Madrid.**

Lucas Fox present, on an exclusive basis, this unique opportunity to buy one of the highest quality properties in the Monteclaro urbanisation with big price reduction! This beautiful family home of almost 500 m<sup>2</sup> is located in a quiet part of Monteclaro development.

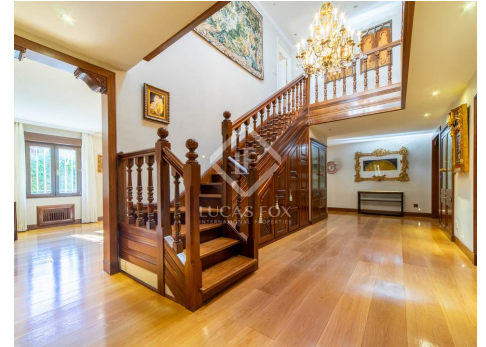

The current owners completely renovated and extended the property in 2015 to a very high standard. They literally rebuilt the house from the bottom up, replaced all electrical wiring and plumbing and installed lots of features which one would expect to find in a luxury property.

Standout features include underfloor heating in all rooms, real wooden floors, a centralised vacuum cleaning system, a gym and sauna and a very large modern kitchen with high-end appliances. All rooms in the property have individual temperature controls and the air conditioning is delivered across the property through ducts.

Monteclaro is an exclusive gated community in Pozuelo which has 24-hour surveillance and is great for families with a social club, swimming pools, cafeterias, football field and tennis and padel courts.

The distribution of the property is excellent. We enter the villa through an impressive wide entrance hall with double height ceiling; this area hosts a cloakroom and a spacious guest toilet.

Turning right we step into a wonderful traditional library with custom-made shelves. To the left we find a large living room with a working fireplace, which connects through sliding doors to a bright dining room, hosting a dining table with space for 18 guests. At the back of the dining room there is direct access to a lovely porch and at the front and we find the door leading to the fully equipped kitchen, which features a high bar with stools; ideal to enjoy breakfast or an informal lunch.
