## Impressive 600 m<sup>2</sup> detached villa to update on a 1,900 m<sup>2</sup> plot in Montecarlo, Pozuelo, Madrid

**Extra large and extended 6-bedroom detached villa on a great plot with private pool, with great potential to modernise, located in quiet area of the exclusive and gated Montecarlo development, in Pozuelo, Madrid.**

Lucas Fox Pozuelo & Aravaca is pleased to present this impressive and very large detached villa in the privileged Montecarlo development. This exclusive gated community has 24-hour surveillance and is great for families as it has a social club, swimming pools, cafeterias, a football pitch and tennis and padel courts.

Within Montecarlo, this 6-bedroom detached villa of over 600 m<sup>2</sup> on a 1,900 m<sup>2</sup> plot is located in a quiet area with easy access to the social club, the Everest School and not too far from the entrance gates.

The property stands out for its great layout since the owners have extended the house over the years according to their own personal needs. Key features are the very large open plan living and dining room with direct access to the garden and a large kitchen with side kitchen. The plot offers lots of outdoors space, perfect for active families, with the pool located on a slightly elevated part next to a lovely covered porch.

The house needs to be modernised and Lucas Fox can assist you by organising a visit together with top local architects specialised in transforming these wonderful houses into your dream home.

We enter the house through a lovely entrance hall which also has the staircase and on the right we find the extra large open plan living room with a fireplace, from where we have direct access and views over the garden. On the right side we find a large office (could be a perfect family / TV room) which also has lovely views of the garden. The living room directly connects to a large dining area from where we find doors leading to the kitchen.

The fully equipped kitchen has a breakfast / informal dining area and benefits of an adjacent additional side kitchen; these areas can easily be converted into one large open plan kitchen with great views over the garden.

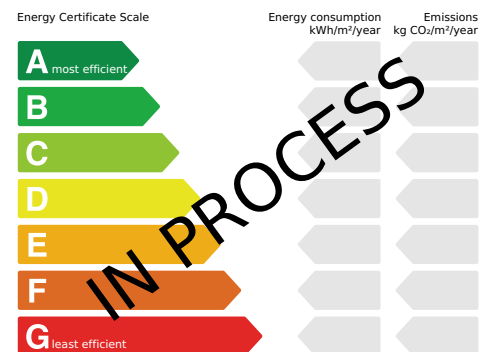

Adjacent to the kitchen there is a laundry room and a service bedroom with a complete bathroom.

On the ground floor, towards the front garden, we also find a large bedroom (which could be the master) with its walk-in closet and ensuite bathroom and an additional tv room.
