OVERVIEW

Detached "Balsain" villa on fantastic 1,400 m² flat plot with south-west orientation, pool, solar panels, 4-car garage, located close to the social club in the exclusive Montecarlo development in Pozuelo.

Lucas Fox is pleased to present, on an exclusive basis, a great investment opportunity in Montecarlo, an exclusive gated community which has 24-hour surveillance and offering a great lifestyle for families with a social club, swimming pools, restaurant, football pitch and tennis and padel courts.

This Balsain model detached villa is located in one of the best parts of Montecarlo on a wonderful 1,400 m² flat plot at walking distance from the "Club Social", which enables children to enjoy the journey to the amazing facilities independently and without encountering any cars on their way.

This lovely family home has a fantastic garden with south-west orientation and needs modernization of bathrooms and kitchen and is priced accordingly. The Balsain model is very versatile and allows the new owners to amplify and change the layout according to their own needs.

The current owners have just installed solar panels, which cannot be seen from the street, with a huge reduction in the electricity bill as a consequence. The additional benefit of this "green investment" is a 75% reduction in the annual IBI tax for the next 3 years.

The property has a great 1,400 m² flat plot which allows for a wonderful landscaped garden on all sides of the house with various trees and plants. There are several shaded seating areas and a lovely pool on the side of the house, benefiting of sun exposure the whole day.

A large front porch leads up to the property and from here we are welcomed into an elegant entrance hall, with guest toilet. To the right of the hall we find a home office and to the left a spacious living room with a fireplace. From the living room we access a large dining room with great views over the garden and, next to it, we find a large covered porch which can be closed by glass doors.
