OVERVIEW

Luxurious duplex penthouse of approximately 203 m² with spectacular views, ideal for families seeking tranquility and easy access to the capital.

Lucas Fox International Properties presents this magnificent duplex penthouse that is located in one of the best developments in Pozuelo with 24-hour security.

Its location offers a wide range of leisure, shopping centres, schools, hospitals and sports venues. In addition, the area has perfect road links and public transport.

Upon entering the property on the main floor, we are greeted by a spacious hall that leads into a wonderful living-dining room: a cozy and bright room with high ceilings, perfect for relaxing in the company of your loved ones. Next, there is a practical fully equipped kitchen with a laundry area. Also, this level has a guest toilet.

We go up to the first floor, which houses the part of the night area with five bedrooms, one of them with a bathroom and private terrace, and three bathrooms. The bedrooms have a practical double built-in wardrobe and a very well oriented terrace, and it is perfect to enjoy reading a good book.

The property is equipped with mains gas heating and ducted air conditioning in all its rooms. It also has a large storage room.

The development offers green landscaped areas, a playground and a padel court in addition to the pool.

We invite you to visit this new home that, without a doubt, will surpass your expectations.
