OVERVIEW

Impressive 800 m² corner townhouse, with a great layout, an extra large private garden and pool, located in the highly secure and prestigious La Finca Mistral 2 development in Pozuelo, Madrid.

Lucas Fox is pleased to present this luxury corner townhouse for sale in the highly secure and prestigious Mistral 2 development, which is one of the more recent and modern "La Finca" developments.

This fantastic property is one of the largest in the whole development and also benefits from a very large garden which is more private than the standard units.

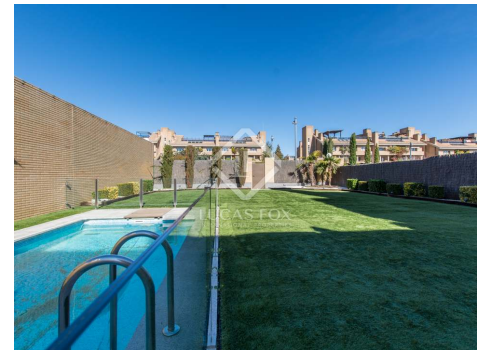

The current owners have kept this house in superb condition and made several improvements to the original layout of the house. It is important to mention that there is the opportunity to extend the basement another 200 m².

The Mistral 2 development stands out for its beautiful communal gardens with large swimming pools, multiple tennis / padel courts and a multipurpose sports pitch. As with all other developments of the "La Finca Real Estate Group", it offers its residents state-of-the-art security with 24-hour controlled access and constant patrolling in and outside the double perimeter.

This house is distributed over 4 floors with a lift offering ample and comfortable living and entertainment space. We enter the property via an entrance hall from which we access the open plan living / dining room straight ahead. Left from the entrance hall we find the bright and very large kitchen which comes equipped with high-end Gaggenau appliances including coffee-maker and wine fridge.

To the right of the entrance hall we find a large home office, a must-have feature for every home these days.

From the living room, we step out through large floor-to-ceiling glass doors, to the large covered porch with built-in barbecue, overlooking the garden, which is one of the largest in the development, with a private pool, an ideal set-up for families with children.
