OVERVIEW

Fantastic 707 m² villa spread over 3 floors, built on a 2,606 m² plot, with 6 bedrooms, spectacular views of Monte del Pardo and an indoor pool in a privileged location in Valdemarín, just 10 minutes from Madrid.

Lucas Fox is pleased to present this impressive villa of 707 m² for sale in Valdemarín, one of the most coveted areas of Madrid due to its proximity to the city centre and the tranquility and security it offers.

This property, built in 2005 and designed by the well-known architect Antonio González Cordón, stands out for its privileged location, its proximity to Monte del Pardo, its design, natural light, excellent finishes and its beautiful indoor pool, which can be enjoyed all year.

The house has a charming interior patio with a water fountain and large windows that illuminate the entire interior, marble floors, luxury carpentry, underfloor heating, ducted air conditioning in all rooms, home automation and secure doors and windows.

The house was designed around the interior patio, which provides natural light to all rooms. It is distributed over 3 floors.

On the main floor we find a large kitchen with a central island, equipped with high-end appliances and access to the interior garden, which has a beautiful summer dining area. From the kitchen, we enter the large living room with a double height ceiling and large windows that open up to both the central garden and a beautiful terrace overlooking the garden and Monte del Pardo. From the living room we access the night area, which consists of 4 bedrooms (each with a private bathroom) separated by a small exterior-facing corridor that provides great ventilation and natural light, as well as a master bedroom with a dressing room, a bathroom with a shower and bathtub and access to the terrace with views of the forest and the garden. On the main floor we also find a TV room and a guest toilet. This level also houses a separate space with a living room, bedroom, bathroom and kitchen that could be used as a service area.
