Stunning detached 5-bedroom luxury villa in Majadahonda, Madrid

Spectacular luxury villa of modern design, providing over 500 m² of living space on 1,750 m² plot with a private pool. Located in exclusive and central location in Majadahonda, Madrid.

Lucas Fox is proud to present another gorgeous designer villa for sale in a highly sought-after central location in Majadahonda, Madrid.

Words cannot do justice to the beauty of this amazing family home, and we will let the pictures speak for themselves.

This gorgeous property provides over 500 m² of living space on a beautiful flat south-facing plot. It is located in a quiet and exclusive area of Majadahonda but at walking distance from local shops and restaurants. The area is very well connected to the centre of Madrid with access to the A-6 motorway just a 3-minute drive away.

One of the standout features of this magnificent villa is the convenience of living on just one level with the main ground floor hosting most of the living and entertaining space; the living room, the fully equipped kitchen and all the 4 family bedrooms are designed in one continuum with a great layout.

The sleek but functional design allows all living and bedrooms to have fantastic views over the meticulously landscaped garden with its amazing infinity pool. The huge floor-to-ceiling glass doors in the living room can be opened fully so that the interior and exterior spaces flow naturally over into each other and allows to feel a constant connection to the tranquil surroundings.

Natural light fills this magnificent home throughout all areas, and it comes equipped with underfloor heating, aerothermal energy system and high-end appliances and finishings.

Another stand-out feature is the very large master suite which benefits of a gorgeous bathroom and spa with sauna and steam room. The current owners have an office space integrated in the master suite, but this could be easily converted into an additional walk-in closet.

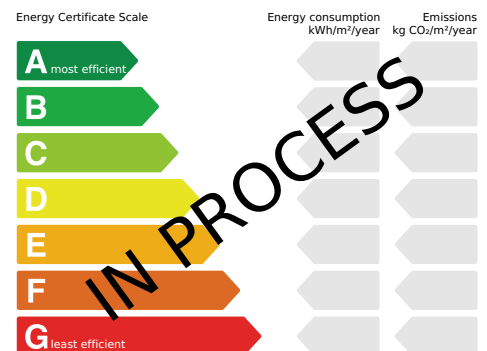

The basement provides a private garage for 3 large cars (on the private driveway there is space for additional 3 cars), a large multifunctional family/ playroom which gets natural light through a large patio. This level is completed by another large room which could be used as a cinema or gym, a service bedroom with bathroom and large storage room.

The beautiful landscaped garden hosts a saline infinity pool and exterior bathroom with showers.
