Lucas Fox is proud to present this elegant English-style townhouse in one of the most beautiful areas to live in the northwest of Madrid, Valdepastores, in a development with 24-hour security and surveillance. The development is stately and very quiet, with an international and cosmopolitan atmosphere.

This semi-detached house has 320 m<sup>2</sup> built, distributed over three floors, plus the lower ground floor. Upon entering through the ground floor, we find a hall that gives access to a bright kitchen, the very large living room, a bedroom or office and a bathroom. From the living room, there is access to a beautiful terrace with a jacuzzi and a large garden of approximately 70 m<sup>2</sup>.

The first floor has four spacious and bright bedrooms, one of them with a private bathroom, plus another additional bathroom.

Going up to the second floor, we find a spacious and cosy loft with a solarium.

Finally, the lower ground floor has a large office with space for four workstations, a service kitchen, a pantry, a service bathroom and a garage for one car.
