### OVERVIEW

## Three avant-garde villas with an exclusive project, to enjoy life to the full, and signature architecture for sale in one of the best locations in Pozuelo, Somosaguas A.

Lucas Fox is pleased to present this opportunity, one of the most unique and exclusive residential projects available in the Somosaguas area. To safeguard the privacy of future buyers and due to the exclusivity with which the project was conceived, the specific information will be obtained through a face-to-face meeting with the architects behind this exceptional property.

It is a set of 3 impressive family villas, each distributed over 3 floors, designed with great attention to detail, for the delight and enjoyment of family life, just 12 minutes from the centre of Madrid and with completely independent plots.

The architects for this project were inspired by the essence of nature and humankind with the aim of achieving balance, calm and inner peace in the home. They rely on the purest organic materials, such as wood, concrete, metal and glass, to find simple but long-lasting solutions and discover unexplored architectural elements that normalize the extraordinary.

Architecture that will not go unnoticed and whose design will be unique in the area. With concrete as the main feature, the project creates wide spaces, with large windows, special views and a unique layout, playing with vertical and horizontal walls to create unique spaces.

In short, if you are looking to live in the best area of Madrid and Pozuelo, a few minutes from the Casa de Campo, with a modern design that goes beyond anything ever seen in the area and exceptional quality both inside and outside, do not hesitate to request more information.

The images presented here are of the area and of a project with similar architecture, but the final images and plans of the project will be obtained after a personal meeting with Lucas Fox and the designers.

Contact Lucas Fox by email or phone to arrange a visit and learn more about this exceptional project. We are available 7 days a week to adapt to the needs of our clients.
