It benefits from an excellent location, close to transport services and with very easy access to the M-40 and the capital.

It is located in one of the most requested areas, due to its proximity to the town of Pozuelo, very close to the entrance of a small gated and independent community, made up of wonderful independent homes. In this very exclusive area, just 20 minutes by car from Madrid Centro, families can enjoy an outdoor lifestyle, but close to the best international schools. For example, the Kensington School.

It is a house with an area of 643 m², ideal for a family, comfortable and very bright, with a very cozy area with a covered gazebo with pool and barbecue, for greater enjoyment by the whole family. The house has three floors.

Upon entering through the main floor, the first thing we find is a closed porch with glass windows, which gives way to an elegant hall and this in turn to a large living-dining room of almost 50 m² with a fireplace. There is a spacious living room with plenty of natural light and views of the pool. In addition, this floor offers a beautiful open kitchen with direct access to the separate dining room and direct access to the rear area of the house, with the fully equipped laundry area. We also have a nice courtesy toilet at the entrance.

The first floor houses most of the night area, consisting of four bedrooms, including the main one with a private bathroom and a closed terrace of more than 30 m², all with their large built-in wardrobes. The floor is completed with a large office with its own open terrace, two bathrooms to serve the bedrooms on this floor and a wonderful closet area in the hallway.
