### OVERVIEW

**Fantastic 500 m<sup>2</sup> house with large spaces and a practical layout on a 2,364 m<sup>2</sup> plot for sale in Parque Boadilla, a few minutes from the social club, shopping centre and St. Michael's School.**

Lucas Fox is pleased to present this striking house with a classic look and contemporary layout . The large spaces and versatility of the exteriors provide comfort for all tastes.

We will access through a consolidated front garden to the main staircase of the property where the large entrance hall gives way to three different areas of the house. To the right, we enter the enormous main living room with a large dining room , fireplace, access to the south terrace and lots of natural light. To the left is the kitchen, also of generous dimensions, with a dining dining room and access to the north porch and exterior kitchen.

In the sleeping area of this floor we enjoy two single bedrooms, two bathroom and the main bedroom. The latter is made up of a bedroom area, a large bathroom and a dressing room or study with access to the main terrace and garden.

Regarding the ground floor, we highlight that, thanks to the orography of the plot, it is not considered a basement since it has two access fronts at garden level that provide it with accessibility and luminosity. At this height we will also find several areas. On the one hand, the day area, with a large living room with fireplace and access to the garden. On the other hand, there is the night area with two bedrooms and a full bathroom and the service area with bedroom and bathroom, utility room, laundry room, large garage and storage room.

In the exterior section we must mention the pool area, covered parking, porch, terrace, garden, vegetable garden and exterior kitchen.

The property has laminate flooring on the main floor , marble floors on the ground floor and porcelain tiles in wet rooms, wooden exterior carpentry, smooth paint and oil heating through a radiator system.

One of the main attractions of this magnificent house is the environment in which it is located with the Boadilla mountain in the background. This house offers a lot of privacy and calm, as well as spectacular views.
