### OVERVIEW

## A new development of 10 luxury villas for sale in Finestrat with a starting price of €595,000.

This exclusive complex of 10 luxury residences offers an unparalleled experience of comfort and elegance, with stunning sea views and private pools for each property. Located in a prime location, this residential enclave ensures privacy and tranquility, ideal for those seeking a luxurious retreat.

The complex features two types of residences, designed to meet the diverse needs and preferences of its residents. The first type, spread over two levels, stands out for its spacious and bright areas. The upper level houses the main bedrooms with balconies offering panoramic ocean views. The lower level includes the living room, dining area, and a modern open-concept kitchen that extends to a private terrace with direct access to the pool.

The single-story residences, on the other hand, are designed to offer comfort and accessibility without sacrificing luxury. These homes feature a functional layout, with all areas on a single level. Large windows and glass doors allow seamless integration between indoor and outdoor spaces, providing spectacular sea views from any point in the house.

Each residence in the complex is equipped with high-end finishes, advanced home automation systems, and private gardens that complement the pool, creating an oasis of peace and sophistication for its residents.
