OVERVIEW

A new development of Apartments for sale in Matosinhos, Porto with a starting price of €220,000

This building presents an innovative concept in Leça da Palmeira and offers its residents apartments with generous balconies and greenery, a coworking space with a panoramic terrace and a shared laundry room.

On the ground floor, in addition to a 1-bedroom apartment, we find the entrance to the building with direct access to the garage.

The garage has 10 storage rooms and 4 parking spaces, 3 of which can be converted into double spaces using a lifting platform.

We also found an establishment that could also function as a closed garage.

The building consists of 10 housing units (7 one-bedroom apartments and 3 two-bedroom apartments), facing west, and all units have a balcony with a flower box.
