Excellent 8 Bedroom house / villa for sale in Torrelodones, Madrid

Exceptional independent luxury villa of 808 m² with wonderful views, 8 bedrooms, majestic entrance, garden, swimming pool and tennis court for sale in Torrelodones.

Lucas Fox Las Rozas is pleased to present this impressive and functional independent villa of 808 m² distributed over three floors, with eight bedrooms and seven bathrooms, a wonderful private garden, a saltwater pool and a spectacular private tennis court.

It is located eight minutes from the Espacio shopping center, the Gran Madrid casino and the HM Torredolones university hospital. It offers immediate access to the A-6 motorway, as well as the Cercanías station just 5 minutes away by car.

We can highlight its quality finishes and its classic design, with an impressive entrance with two ancient olive trees. Behind the main door with video intercom, there are two entrances, one of them automatic, with a ramp with space for eight cars. In addition, the outdoor area offers large spaces, a garden with a large porch and a huge saltwater pool, a barbecue area and a shed with a bathroom.

At the entrance to the house, we find a large hall with cabinets on both sides and a toilet. Next, we find a living room with a beautiful custom-made bookcase and then the living-dining room of about 70 m² with double glass doors, a beautiful and functional black cast-iron fireplace. In addition, this room has three large windows with access to the garden.

From the living room there is access to the 40 m² kitchen with a central island with a large storage capacity, Silestone countertop, two refrigerators, a sink with two taps and high-quality Gaggenau appliances. Finally, there is a large bedroom with a large dressing room and a bathroom with a bathtub, shower, separate toilet area and a closet for laundry. In this area we have an additional pantry.

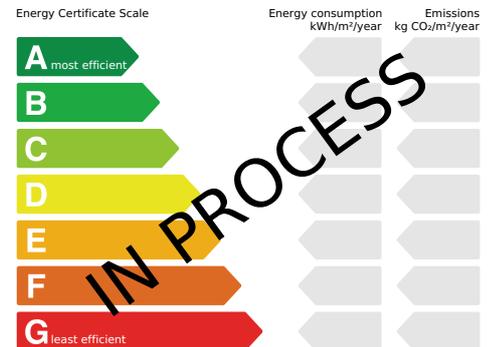

Then we go down to the semi-basement floor with a gym with sauna for four or five people, shower, multipurpose room, warehouse and cellar with wooden floors. It also has a service bedroom with ventilation, wardrobe, bathroom and a storage room with two independent electric water accumulators.

After climbing a beautiful marble staircase, we find ourselves on the first floor, that is, the night area with five bedrooms, three of them en suite, with private bathrooms. In addition, they have their own dressing room and study area. This same floor houses a guest area with two bedrooms and a full bathroom to share.
