Lucas Fox is pleased to present this easily expandable 3-bedroom house of 309 m2 to 5 bedrooms on a 1075 m2 plot located in La Chopera urbanization, in Las Rozas.

We highlight of this house the excellent materials used for its construction, as well as its strategic location of access to the main roads.

Entering the house, the distributor leads us to a bright and spacious living room with a beautiful fireplace attached to the dining area, which is located next to the large kitchen with access to the wonderful garden and a glazed terrace to enjoy comfortable meetings and breaks in the winter. On this first floor are the 3 bedrooms, one of which is considered the main one and has an en-suite bathroom, the other 2 share a large bathroom.
