OVERVIEW

A new development of Apartments for sale in Las Rozas, Madrid with a starting price of €555,000

Lucas Fox Las Rozas is proud to present El Quintanar, a unique Residential complex, which has the quality of Levitt projects, divided into three phases: La Retorna, Las Dovelas and El Lindal that are part of this exceptional project located in Las Rozas, area. It has more than 500 homes in perfect balance with nature and 55,000m² of spaces for work, leisure and commercial use.

This grandiose construction and development development is in the hands of the prestigious "Lamela" studio, a team with international solvency specialized in applying efficiencies, comfort and innovation in all its projects. This imposing residential complex obtained the demanding BREEAM seal that certifies real sustainability in all aspects, from the efficiency of energy resources and supplies to the care and integration of people and the environment.

This prestigious quiet and safe residential community due to its access control systems, is integrated into a natural area that preserves an important native plant mass and an environmental holm oak grove classified as a preserved mount.

El Quintanar is strategically located with unbeatable communication conditions with the centre of Madrid, just 25 minutes away. Immediate connection to the A6 through its service road and access to the M50. This coveted area offers excellent amenities and infrastructures, educational centers, shops, sports clubs, health centers, making Las Rozas one of the most demanded destinations.

The exclusive Residences of El Quintanar, are presented in apartments with 2, 3, 4 and 5 bedrooms in the phases of La Retorna and Las Dovelas; and in 1, 2 and 3-bedroom apartments, as well as 5-bedroom semi-detached single-family villas in the El Lindal phase.

These wonderful homes, spacious, bright and with versatile spaces, are equipped with all the comfort and quality details, in which the generous privileged terraces stand out for their impressive views of the natural environment and the mountains throughout the year, thanks to the optimal orientation of buildings.

The types of homes are presented with contemporary designs with top quality finishes and materials, offering elegant spaces with customization options.
